

To all our friends in North Delta and beyond,

It is with profound sadness that after 46 years the Delta Lion will be pouring her last pint at the end of this month. We have had an amazing run and it has been our absolute pleasure serving you. But unfortunately, the time has come to dim the lights and say goodnight for the last time. We wish to extend a sincere thank you to all of you who has walked through our doors and we appreciate your support and understanding of this difficult decision.

To all our staff, both former and current –
THANK YOU! You are what made the DLP what
it is – the social heartbeat of North Delta.

Cheers,

The Mahony Family
